Unity Executive <sup>About</sup> Committee Meetings

All Unity Executive meetings are open to members. We usually meet the first Thursday of the Month. Next meeting at the **Reservoir Restaurant** in South Orange. *Junta* to plan events, have a nosh and kibbitz a little.

There are many different versions as to the origin of tapas, which also depend on the region in Spain. One version, the most popular, is that it started as a simple piece of bread placed over the wine glass on a bottle to keep the flies off. The word "tapa" means "cover" or "lid." Spain began... quickly developing into savory morsels of cheeses, hams, vegetables placed over slices of bread or on their own, as well as almonds fried and served hot...always accompanied by a glass of wine or sherry.

**NEXT EXEC MEETING IS NOVEMBER 1**

Spain's diversity in regions, climates and landscapes has helped create the tapas or pintxos, as they are known in the northern regions. They can be simple small dishes or elaborate but always with lots of flavor.

"I just pulled over a very important person! What should I do?"

The sergeant asked, "Did you pull over Senator Schumer again?"

"No, this guy is more important!"

"You didn't stop Governor Cuomo?"

"No."

"The president?"

*Congratulations to Bob Bravar, our Membership Chair, on the birth of his beautiful granddaughter, Maya A. Burghauser. Maya is also the granddaughter of Rachelle Press, wife of our President Rick Press.*
